## Introduction

On behalf of the Bitton Residents Association, welcome to the Open Gardens Day. This is the fifth event of its kind in the village and we hope that you have a very enjoyable afternoon. **Admission to the gardens is free.**

We would like to thank the garden owners who have opened their gardens for your enjoyment. Please be respectful of their gardens and their privacy. If you have brought a dog, please keep it on a lead and remove any unfortunate events.

**Teas** will be served at Church Farm from 2-5pm (No 1 on the map). A **Plant Sale** will also be held in the garden and a **Toilet** is available here. We will also be **taking bookings for the planned Gardening Club excursions.**

**Car parking** is limited in Upton Cheyney but Jamie has kindly offered us the use of The Upton Pub car park while visiting the gardens. Thank you Jamie.

**St Mary's Church** will be open from 2-5 pm, so do allow some time to visit this beautiful church.

A **map** showing the location of the gardens is on the back page of this leaflet.
